Director at The Coaching Works (UK) Ltd

Previously, HR & Training Manager at Parchment Housing

"Although it was over a decade ago when Mancroft Training were invited to talk at our staff conference (I was employed then as HR and Training Manager at a Housing Association) the impact of the session is still with me today. For years afterwards (and still today when I meet ex colleagues) the term "Winning Edge" can still be heard and the impact discussed!

I went on to train as a coach and NLP Master Practitioner and Trainer (and Clinical Hypnotherapist for the sheer fun?!) and the short session we had from Mancroft played quite a part in the changes to my career and personal life.

Have a peak at Richards UTube sessions and if you get the chance to run a staff session with Mancroft Training then grab it."
