

# Mick Westman

Director, Commercial & Compliance at BT

“Richard provides a huge amount of personal insight into leadership development and how individuals can make a difference. The outstanding Winning Edge program is a simple but very high impact, life changing experience, which Richard has personally shaped over a number of years. I have personally participated in the programme several times and have recommended it to many peers and colleagues both in BT and externally with friends.”

**Top qualities:** Personable, Expert, High Integrity

**Testimonial Date:** August 16, 2010
